We have increased the coverage limit on your home by 5.700% to reflect the estimated cost to rebuild your home. This increase is based on information we received from CoreLogic, an independent firm specializing in construction costs. Each home is unique and you know your home best. Your coverage amount may need to be adjusted, higher or lower, based on your home's specific construction details, updates or upgrades. Have you recently made any home improvements, such as upgraded your kitchen or bath, or completed a finished living area in your basement? Have you added an extra room or built a deck? These changes can significantly increase the replacement cost value of your home. It is important to make sure your policy affords appropriate coverage and limits to reflect your home's replacement cost value in the event of a total loss. If you disagree with your coverage limit, please contact your Travelers representative or agent who can work with you to help you decide the appropriate amount of insurance for your home and process any necessary adjustments.

If you have recently replaced your roof it is important that you inform your Travelers Representative.

Workers' Compensation and Employers' Liability Residence Employees Endorsement HQ-090 NJ (05-17) is required and part of your policy pursuant to the provisions of chapter 15 of Title 34.

New Jersey statute 40A, Ch. 10A requires an owner of a multi-family home which is four or fewer units, one of which is owner-occupied, to maintain liability insurance in an amount of no less than \$300,000. Additionally, it requires an owner of a business or rental unit(s) to maintain liability insurance in an amount of no less than \$500,000. To ensure you have the required limits or if you have any questions, please call your agent or Travelers representative at 1-530-274-3102.
