We want to make sure we are using accurate information to rate your policy. Because you are the most familiar with your home we need your help to make sure that the information on your Declarations is accurate and complete. If any of the information on your Declarations has changed, appears incorrect or is missing, please advise your agent or Travelers representative. We also need you to check our website at www.mytravelers.com/discounts to ensure that you are receiving all of the discounts for which you are eligible. Once at the website, type in your policy number 6096695756331 and product code QH2 to view all available discounts. Should you have any questions about the information on your Declarations or your discounts, please call your agent or Travelers representative.

We have increased the coverage limit on your home by 10.000% to reflect the estimated cost to rebuild your home. This increase is based on information we received from CoreLogic, an independent firm specializing in construction costs. Each home is unique and you know your home best. Your coverage amount may need to be adjusted, higher or lower, based on your home's specific construction details, updates or upgrades. Have you recently made any home improvements, such as upgraded your kitchen or bath, or completed a finished living area in your basement? Have you added an extra room or built a deck? These changes can significantly increase the replacement cost value of your home. It is important to make sure your policy affords appropriate coverage and limits to reflect your home's replacement cost value in the event of a total loss. If you disagree with your coverage limit, please contact your Travelers representative or agent who can work with you to help you decide the appropriate amount of insurance for your home and process any necessary adjustments.

If you have recently replaced your roof it is important that you inform your Travelers Representative.
